Eran Gazit

It is with deep regret that we announce the passing of Eran Gazit. Eran was an active member of the APA and the polygraph community. At the time of his passing, he was serving as the president of the Israeli Polygraph Examiners Association and as a faculty member at the Gazit International Polygraph School, which is directed by his father and longtime APA member, Mordechai (Mordi) Gazit, to whom the APA, on behalf of its members, wishes to express its deepest condolences.

You may read about Eran here at the faculty page for the Gazit International Polygraph School:
