

Tomasz Rewerski

Tomek was born on July 9, 1976, in Krasnystaw in south eastern Poland as a son of Irena and Eugeniusz Rewerski. He died suddenly on October 4, 2026, in Warsaw, where he lived with his wonderful wife Magda and daughter Rozalia.

He also left behind other loving family members, to include his Mum, Dad, Brother, Sister and Brother-in-Law and their families.

Tomek started working in the polygraph division in 2003 and the job became his lifelong passion.

He served in Polish Government Agencies and was an active member of the APA – American Polygraph Association, as well as the PSP – Polish Polygraph Association. Tomek was a tireless educator of young polygraph examiners; organizing countless trainings and conferences.

Despite his joy in polygraph, he always dreamt of a peaceful life back at his family home in Wladyslawin.

Tomek loved trees.

The last couple of years he spent mastering the art of carpentry. His little workshop was to be his new career.

Tomek was also an accomplished athlete and completed several marathons and half marathons.

He will be remembered for his calm good sense and his good heart, witty humor and unstoppable energy to spread good around him.

He was loved and will be missed
